## Donal McCellan New Assistant District Manager at LCREC

LCRA has created two new positions in its organizations—that of assistant district manager at Johnson City and at Giddings.

W. O. Keaghey, formerly at Giddings with the LCREC, has been transferred to Johnson City to fill the new position there.

Donal McCellan has been transferred to Giddings from Kerrville to become assistant district manager here.

In their new roles, the two men will be in charge of the operations and construction activities performed by the LCRA for the Pedernales Electric Cooperative, Inc. and the Lower Colorado River Electric Cooperative Inc.

McCellan was an Engineering Clerk A at Kerrville prior to his appointment to the Giddings position while Keaghey held the post of Engineering Detail at Giddings.

McCellan, 33, is a native of Alice. He attended schools at Bentonville, Agua Dulce, and Texas A & I at Kingsville. He also has completed electrical engineering courses with the International Correspondence School.

He served in the Air Force for four years in Washington, D. C., as a radio mechanic and instructor.

He joined LCRA at the Kerrville District Office and served as utility Clerk, Storekeeper, Linemen's helper, and Engineering Clerk A.

He is married to the former Betty Jetton of Kerrville. He has been active in civic and church work. He served as secretary and as a director of the

Kerrville Kiwanis Club and on the board of stewards and on the scout committee of the First Methodist Church at Kerrville.

In 1953 Donal McCellan received the Junior Chamber of Commerce's distinguished service award as the "Outstanding Kerrville citizen."

He has been the president of the Kerrville Jaycees as well as a director for several years. In 1952-53 he served as a director in the state Jaycee organization and in 1953-54 as state vice-president.
