**PASTOR'S WIFE INJURED**

Mrs. A. F. Michalk, wife of Rev. Michalk of Feder was injured in an automobile accident in West Texas a few days ago. The auto in which she was riding with her sister Miss Eleanor Woelfel of Galveston, overturned twice. She did not receive any severe injuries but was badly bruised and was in the hospital at Littlefield at the latest report. She was pinned beneath the car and was unconscious for a time.

Mrs. Michalk and her sister were enroute to the State of Washington, their father Mr. Nick Woelfel of that place, who is ill. They were to pick up her brother who lives in the Panhandle of Texas but when four miles east of Littlefield, a tire blew out causing the accident.

A speedy recovery is wished for Mrs. Michalk. The sister was not injured. Mr. Woelfel formerly lived in Lee Co.
