## A. E. Moebus To Head 1949 Red Cross Drive

The Lee County Chapter of the American Red Cross has announced the appointment of Arthur E. Moebus as County Fund Drive Chairman for the 1949 Drive.

Mr. Moebus' outstanding civic work and leadership has long been recognized and it is befitting that he should be Fund Drive Chairman for this county. He is known to be a tireless and energetic worker and known as one of those sought-after persons who "get the job done".

The Red Cross work is tremendous not only in other places but right here at home. The amount of services and help supplied is all out of proportion to the small amount of funds contributed.

The budget has been curtailed and although not as large as in previous years, Mr. Moebus will need the assistance of all the County in order to make the goal set.

Being a veteran, Mr. Moebus is well suited to lead in this drive and the County should not have too great a trouble to again reach its goal in this most worthwhile organization.

The drive will start in March. The organization is now being set up and Mr. Moebus will announce his organization and program within the next two weeks.

The County Chapter has asked that the people give Mr. Moebus all possible assistance in this drive as the organization's past record as well as Mr. Moebus' work in this behalf warrants our cooperation.
