New Firm in Giddings

This week the Giddings Grain Co. opened its doors to the public with all kinds of feed stuff and mill products, particularly grain, hay and flour and it will sell both to the wholesale and the retail trade. Wm. Mueller is the manager and the location is the corner building formerly occupied by the Citizens State Bank. Will is no stranger in Giddings where he has been identified in business for a number of years during which time he has made many friends.
