

*The Giddings News*

December 10, 1920

Messrs. Louis Grant and Earnest Black attended the two days goat roping at Uvalde not long since given by J. H. (Babe) Mundine, who is remembered until a year or two ago a resident of Lee County. Mr. Grant said they had a great time and their old Lee county boyhood friend showed them the time of their lives. They say Babe is doing nicely out there and everybody likes him. He has a nice home and has been pretty successful in stock raising. They say those boys out there are sure enough there when it comes to roping and it was a rare treat to witness them handle the rope.
