

The Giddings Star

November 10, 1955

**Paul Mutschink
Receives 20-Year
Fireman Service Pin**

Sunday night at the annual family night of the Giddings Volunteer Fire Department, Paul Mutschink was presented the twenty-year Service Pin by Chief H. C. Wiese.

Mr. Mutschink is one of the old timers of the Fire Department. He has taken a very active part in every project the Fire Department has undertaken. In the twenty years he has not missed being on the job when the firemen put on their Fourth of July celebration. For over fifteen years he has managed the hamburger stand.

When Mr. Mutschink was asked which fire was most disastrous he quickly recalled the time when Behmann's Dry Goods Store was almost completely destroyed by fire.

Mr. Mutschink's record of attending fires is one of the highest in the department.

Mr. Mutschink is now managing the hardware department of Farmers Supply Co. He has been employed by this company for 26 years.

Mr. Mutschink has expressed his desire to continue to remain active in the fire department. He says he just enjoys being among the fireboys.
