

Child Slightly Hurt In Tussle With Car

Janet Marie Schulz, 6 year-old daughter of Mr. and Mrs.* Harry Schulz of Giddings, escaped serious injury when she ran into the side of a moving car at the highway intersection in Giddings Monday about 9:20 a. m.

Harry G. Namken of Giddings, driver of the car, had just executed a left turn onto East Austin Street from North Main Street when the girl, crossing Austin Street alone, ran into the car. She was injured only slightly, suffering a light nose bleed, according to City Marshal Rudi Simon who investigated.
