**PROWLERS CAUGHT
IN STORE**

Three men were found in the grocery department of the Farmers Supply Co. Sunday night when manager Henry Neger went into the store to do some work on the books. He found three men who fled as soon as the lights were switched on. They escaped through a rear door where they had gained their entrance. Nothing was missed from the stock. Three strange men were arrested in the railroad yard, but they were turned loose as there was no evidence against them.
