**NEW BUSINESS FOR
GIDDINGS**

C. C. Parker of Lexington will hold a livestock day in Giddings every 2nd and 4th Tuesday of each month. The first one will be next Tuesday. See his ad in this issue of The News.

Mr. Parker is an extensive cattle raiser and a reliable dealer in livestock. He will open a new business for Giddings and will save the farmer much time and expense in marketing his live stock because Mr. Parker will load into trucks as he buys and rush the livestock direct to market.
