**Salvation Army Drive
To Begin Nov. 15**

Twenty-two volunteer workers will launch the annual Salvation Army Drive for funds in Giddings Monday, November 16th, with Don Siocomb, superintendent of schools as drive chairman.

"On every hand you hear praise of the Salvation Army's good works with the needy," said Don Siocomb, "and now comes the time to make it possible for this great work to continue in our community, give generously," he added.

To the child at the dawn of life, to the old person nearing sunset, to men, women, and children of all ages in trouble goes the helping hand of The Salvation Army regardless of race, color or creed.

The goal this year is \$750.00, and the following workers will be active in the drive: W. H. Pieratt, H. Doyle, R. Folkes, C. W. Krauss, C. M. McIntosh, Herbert Walthers, Mrs. Ira Dippel, M. C. Burmingham, Alvin Orsag, W. O. Keaghey, M. T. Seale, D. E. Wilks, Charles Koslan, Ben Vahrenkamp, August Namken, Robert Lorenz, Sr., Henry Harms, Ted Noack, August Wolf, Mike Gruetzner, Bill Pratho, and D. Fuchs.

The Giddings unit of the Salvation Army is one of 105 units now operating in Texas doing all sorts of things for the needy with no limit of service touching every type of need. The state work of the army covers many fields, and contacts over 1,000 ex-prisoners with aid given in many forms, and scores of things that makes life better because someone cared enough to help the Salvation Army "help others."

Here to aid in this year's campaign is John Polansky, new field representative of the Army for this area, replacing Mr. Walter J. Hayt who is on sick leave. Polansky is the son of Salvation Army officer, now retired after 35 years of service; he graduated from the Abilene Texas High School and the army's College in Atlanta, Ga., and has been with the organization for 14 years in this type of work.

"We are counting on all the citizens of Giddings to give all they can so that we might reach the goal of \$750.00", said Drive Chairman Don Siocomb.
