### **Ramsey Tours State**

Ben Ramsey, candidate for lieutenant governor and former Secretary of State, last week completed another chapter in his person-to-person handshaking tour of the state.

Ramsey found considerable interest in his program for economy in government, black top roads to every farm home, soil land water conservation, and rural telephones at reasonable rates.

Ramsey, a 46-year-old country lawyer from San Augustine, East Texas, has been conducting soil and water conservation experiments on his own farm near San Augustine. Several classes of students studying conservation have visited the farm to observe the results of the experiments.
