**J. S. SCARBOROUGH
ANNOUNCES**

In announcing for Sheriff, I wish to say that I formerly served Lee County as Sheriff for several years, and then served eight years as sheriff in Kleberg County. I am familiar with the duties of the sheriff's office. I know what the majority of the people want, and if you elect me to the sheriff's office of Lee County, I will faithfully and fearlessly do my duty.

I further say that no one who votes for me and helps elect me to the office, will ever regret having done so. The majority of the people of Lee County know me and I do not feel that it is necessary to tell you anything else. Just give me a chance. If elected, I am everybody's sheriff.

Thanking you for your vote and support, I am,

Yours respectfully,
J. S. Scarborough.
