**Says Vacation Trip
Was Wonderful**

Albert F. Schkade of the O. K. Sales Co., who was awarded an 8-day all expenses paid air cruise to Havana, Cuba has just returned from his trip. He was accompanied by Mrs. Schkade, and Mr. and Mrs. C. A. Phillips of Houston.

Mr. Schkade was highly impressed by the beautiful scenery on the island. The people are easy going and exceptionally friendly. The climate is cool as the temperature never goes over 90. The nights are always cool.

Havana is a modern city having a population of over 1,000,000. The trip includedt five excursions in and around Havana.
