## **Schlabach Clinic Discontinues**

Dr. D. G. Schlabach announced this week, that he has discontinued his Clinic and that he will go into the Real Estate business.

Dr. Schlabach practiced Physical Therapy and his wife assisted him in the work. His office is above the Citizens State Bank. He stated that he would be in the same office in his Real Estate business.

Dr. Schlabach had worked up quite a practice in his Clinic and, no doubt, many of his patients, will regret that he has discontinued.
