Another Fire Alarm — Wednesday Night

The Fire Department had another call Wednesday night around 3 o'clock, this time to a real fire at Rubin Schneider's Garage.

The office was full of smoke, but when the door was opened by the firemen the blaze burst forth. However the firemen were there with the hose and soon the fire was put out.

The origin of the fire could not be determined neither the loss. The

fire was in the parts room and all of the expensive equipment was kept in the office during the night.
