

The Giddings News

September 29, 1922

Miss Mary Penn Schulz daughter of Hon. H. O. Schulz of Rosenberg a former Lee County boy but now a prominent attorney of that place was in Giddings Monday and called at the News office. She was valedictorian of the editor's graduating class one year ago when she completed a record school attendance of not having missed a day or being tardy a time in ten years. In addition to her high scholarship record, she was the champion goal thrower on the team that defeated all the schools about including Ball High of Galveston, and she was a star player in tennis as well as the winning composition writer in the county meet. She was on her way to Southwestern where she resumes her studies as sophomore. It is remarkable how some students can accomplish so much so well.
