The Giddings Star

Giddings, Texas

Gentlemen:

Inclosed find M. O. \$1.50. Please
renew the 'Star' for another year.
We are enjoying reading the 'Star,'
the news from our former home,
Giddings.

The weather still is warm and
the cotton farmers are very busy in
the field.

Wilbarger County had a good
cotton crop in this dry year. The
deep sandy land had the best cot-
ton crop. We had a good rain two
weeks ago so the wheat farmers
got busy to put the seed in the
ground and everything looks good.

With love to you all from

your old friends

Mr. and Mrs. Paul O. Schulz.
