**From One of the Boys in Camp**

Camp Travis, July 22, 1921.

Mr. C. M. Bishop,

Giddings, Texas.

Dear Mr. Bishop:

Just a few lines to let you know how I am getting along.

We are having a great time, getting plenty to eat and not working too hard. We drill about four hours a day with and without rifles. About two hours each day are devoted to calisthenics and athletics. Ed Meyer and myself are in the same company. The rest of the boys are scattered around.

There are about 800 men attending this camp. I am fortunate in having good officers. Some of the big country boys and some town boys have gotten "cold feet" and put in application for a discharge.

I am gaining a little weight and more brains as well.

~~The last week that we are here,~~ we go out on the rifle range at Camp Buliss. Then we will get to go back to good old Giddings.

Your friend,

Pvt. Herbert E. Schulze,
