**ALFRED W. SIEGMUND
ANNOUNCES**

To The Voters of Lee County:

I wish to announce that I will be a candidate for re-election to the Office of District Clerk of Lee County, Texas and in announcing, I wish to say that I am very thankful for the support you have given me heretofore and I now kindly ask you for your vote and support in the coming election.

I have used my best efforts to manage the office in a business and honest upright way to the interest of all concerned, and if at any time there should be any information you may desire that may be obtained in this or any other office that I may be of any service to you, do not fail to call upon me as I am at your service.

As the "rising sun" has cut off our rubber supply and our tires will be getting thin, I do not know how many of you I can see in this year's campaign as we will have to walk and buy more Stamps and Bonds to bomb our enemies.

Sincerely yours,

ALFRED W. SIEGMUND.
