A. W. SIEGMUND ANNOUNCES

To the Voters of Lee County:

I have announced as a candidate for the office of Tax Assessor of Lee County. I need not tell you, I am well qualified to fill the office, as I have had the pleasure to fill this office for several years before.

If elected, will do everything in my power to get all property assessed according to its value, so as not to make taxation a burden to any one person.

Assuring you that your vote and support will be highly appreciated by me.

Thanking you, I am,

Your friend,

Alfred Siegmund.
