February 11, 1921

Mr. and Mrs. W. A. Sikes and son, Willie Dungan, left for Lexington Monday, their future home. Mr. Sikes is remembered as serving the people of Lee County for ten years as County Treasurer, coming here from Lexington where he was living when first elected to the office. During the ten years he has lived in Giddings he and family have made many warm friends all whom regret to know they are now leaving us. Mr. Sikes is one of the oldest residents of the county and has been a reader of the News ever since it made its first issue. He is recognized as a man of sterling qualities, honest, upright and fair and square in all of his dealings. A man of his type is the kind that makes a country one of founded on solid foundation. While he will still be a resident of the county and only returns to his old home, his many friends here regret to give him and his family up, but leave with a feeling that welcomes their return at any time either for a visit or again make their home.
