**CARRY ON**

By Mrs. E. T. Simmang, Sr.

When we are most discouraged  
And everything seems wrong,  
Let's pray a little prayer to  
heaven  
God will help us carry on.

He will help us in our sorrow  
Help us provide for the mor-  
He will make us kind and strong  
If we pray and sing this little  
song.

This little song of thankfulness  
That he our sorrow shares,  
To know that he loves us  
To know that he cares.

To know he's the great phy-  
sician  
In this hour of grief and pain,  
Like the glorious sunshine  
After the storm and the rain.

God keep America  
In the shadow of Thy wing,  
Bless and guide Thy people  
Thy peace and freedom bring.

So when we are most discour-  
aged  
And everything seems wrong,  
Let's pray a little prayer to  
heaven  
God will help us carry on.
