**Hon. E. R. Sinks Selected**

At a meeting of the chairmen of the county executive committees held in Caldwell Monday, Hon. E. R. Sinks was selected as Representative from the 65th District, composed of Milam, Burleson and Lee Counties, to take the place of Chas. W. Fields who was the party nominee in the July primaries. Judge Sinks' name will be printed on the ballot for the election November 4 and he will be elected without opposition, thus giving Lee County representation in the lower house of the Legislature, something which the County has not had for some time.
