

*The Giddings News*

December 10, 1920

Word was received here a few days ago that Joe Smith Jr. of Cameron had been run over by an auto driven by his father. Details were not heard but it is thought he must have been pretty badly hurt, as he was rushed to the Hospital and reported was having hemorrhages. It seems Mr. Smith was getting ready to go to Austin to see the foot-ball game when the accident happened. It is with sincere wishes that his injuries are not serious and their many friends here were sorely bereaved when they learned of the accident.
