FARMERS SHORT COURSE

Mrs. August Spacek of Dime Box and Mr. S. T. Lynn of Tanglewood were selected to attend the A. and M. Short Course July 13 - 16 as delegates from the Lee County Land Use Planning Committee. These selections were made by a sub-committee from the County Land Use Planning Committee consisting of Mrs. John Longley of Giddings, Mr. Adolph Umlang of Lincoln, and Mr. Lynn.

As the program on Tuesday, July 15, is of particular interest to Lee County farm men and women, this sub-committee made tentative plans for carrying a large group from Lee County to attend this program. Plans were made to leave in the morning and drive back the same evening. Anyone interested in attending this program should contact one of the committee or the county agent.
