**NEW POST MASTER
AT DIME BOX**

D. F. Stamps of Dime Box was a caller at the News office Friday of last week. He had just received his appointment as post master at that place, effective April 1. He has been Justice of the Peace there for several years and tendered his resignation at the March meeting of the Commissioners Court. His successor has not, as yet, been appointed. The News wishes Mr. Stamps well in his new work and is certain he will conduct the office efficiently.
