**O. W. Symmank
Awarded Certificate**

O. W. Symmank, local Humble bulk agent, recently completed 20 years association with the Humble Company and was presented his 20 - year certificate by Southeast Division Manager C. C. Scott.

Mr. Symmank has constantly maintained one of the top positions in motor oil and Humble products sales in the Hearne Districts. He accomplishes this by calling on his dealers, checking over their stocks with them, and encouraging purchases that carry maximum discounts. This requires some traveling because dealers served by the Giddings Bulk Station are widely spaced over Lee County and part of Bastrop County.
