NEW CITY COMMISSIONER

W. O. (Bill) Symmank is the new commissioner for the City of Giddings. He was appointed to take the place of H. B. Emmrich who resigned because he was out of the city so much. Bill is to be congratulated on his appointment, he will have charge of the water department, and it goes without saying that he is a good man for the place and will give it due attention. So it is now Commissioner Bill.
