

The Giddings Star

October 29, 1953

**Dr. J. W. Tomme
At Port Lavaca**

A letter from Mrs. J. W. Tomme asking for a change of address shows that they have moved away from here to make their home at Pt. Lavaca, where Dr. Tomme is with the Lester--Tomme Clinic.

We regret losing this family from our midst, however, best wishes are extended to them in their new location.
