

***The Giddings News***

January 20, 1922

The many friends of Miss Willie Waitman will be glad to know that she withstood a serious operation for stomach trouble Monday at Austin. She was attended by several physicians of that place and Dr. J. M. Johnson of Giddings. Her mother and father Mr. and Mrs. G. L. Waitman and Mrs. J. M. Johnson were at her side. She is improving rapidly, but it will be about two weeks before she can return home. Her speedy recovery will be welcome news to the Giddings people.
