

Walthers Feed Store Opens New Location

Herbert Walther, up to now located in a warehouse near the S. P. track, has moved his poultry and feed store into his new location, the former Main Hardware building which he purchased recently.

The store on the Dippel block, facing Main street, gives him a much better and roomy location with parking space in front and on the north side of the store.

Mr. Walthers, in soliciting their continued patronage invites his customers and friends to look him up in his new location.

In a large ad in this issue of the 'Star' the opening of the store is set for Saturday, March 18.
