

The Giddings News

February 20, 1942

Student Honored.

Miss Hazel Waterman of Giddings, student at Texas State College for Women, has been distinctly honored in the Art Department of that institution because of her scholastic record and interest in the work of her department. During the school year she aids new students in orientation, as well as working with the advisory council on various projects. She is the daughter of Mrs. Marie Waterman of Giddings.
