

***The Giddings Star***

November 19, 1953

**Visitors from Michigan**

Mr. and Mrs. W. K. Easlick and daughter Sandra of Saginaw, Michigan, visited her parents Mr. and Mrs. Wm. Wenke and her brother Marvin and family in Winchester for a week and on their return also visited with relatives in Giddings.

When the visitors left Michigan for Texas, the ground was covered with 12 inches of snow. They found the weather here in Texas rather summer - like.
