

The Giddings Star

September 15, 1955

***D. E. Wilks Family
in Topeka, Kansas***

A letter from Mrs. D. E. Wilks tells that they are now settled in Topeka, Kansas.

Topeka is a nice place, very much like Austin in appearance and lay-out, states Mrs. Wilks.

A check for a year's subscription to The Star was enclosed. "We don't want to miss out on the Giddings happenings and this seems to be the best way to keep in touch," Mrs. Wilks added.

The best of good luck to you, Mr. and Mrs. Wilks and boys.
