

The Giddings News

January 17, 1941

Senator-elect J. Alton York and wife of Bryan took dinner Tuesday with his parents Dr. and Mrs. W. E. York here, enroute to Austin. The Bryan Chamber of Commerce recently gave Alton a reusing banquet in honor of having a Senator from their town. Travis Bryan, a former Giddings boy, was in charge of the affair. Dr. W. E. York of Giddings was in attendance and was called on to make a speech which is said to have been very appropriate for the father and son occasion. If you see a Dr. now wearing a new hat you will know he had to get himself a larger number.
