

In District 18, VOTE

Elmer

Zoch for Congress

MY MISSION STATEMENT:

**HONOR,
ALLEGIANCE AND DUTY
TO
GOD
COUNTRY
AND THE
PEOPLE**

POLITICAL INVOLVEMENT

A quarter of a century ago when I became politically active, our party did not have one state-wide, county-wide or judicial office holder in Harris County. I served as a precinct chairman and election judge during that time, and also served on the vacancy and candidates committee. I also worked for many candidates during the 25 years. In 1972, I ran a strong race for the Texas House. I attended all precinct conventions and with two exceptions, all state conventions where we forged the State GOP Platform.

ABOUT ME

As a third generation Texan, I grew up on a farm near Warda, Texas, between La Grange and Giddings, in Fayette County. I was drafted into the U.S. Army and served in Korea from late 1953 to early 1955. After being in the service, I came to Houston where I attended South Texas Junior College. Now retired after 30 years in the corporate world primarily as a pressure vessel estimator and contract analyst. I am currently involved with Nikken Magnetic Wellness Products. I am married to the former Eva Schmidt, who is a teacher in a local Lutheran School. Our only daughter is a student and cheerleader at a Lutheran high school. We are members of Trinity Lutheran Church downtown.

I AM FOR

Replacing the income tax with a National Sales tax.

Reducing the size of the Federal government

School vouchers with no government control in private schools, Charter schools and home schooling

Building a strong military defense system

Saving the American farmers and ranchers

The principles articulated by Dr. Martin Luther King Jr. Judged not by the color of our skin, but by the content of our character.

Ending **illegal** immigration and the benefits they receive

Reforming the endangered species act.

Continued space exploration

The Republican State Platform

Special Issues

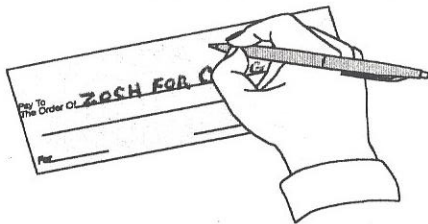

I support the 2nd Amendment of the Constitution and will vote to protect it.

I believe the origin of life should not be constrained to one opinion or theory. I support equal time to the teaching of evolution and creation science.

I support the freedom to express your faith without fear of persecution from the government, employer, or educational institutions.

I AM AGAINST

- * Legislation leading to a socialist or one-world government.
- * Abortion, euthanasia, or sex selection.
- * Those trying to curtail religious rights
- * Forbidding the rights to display the 10 Commandments in public places.
- * Human cloning
- * Homosexual minority status and same sex marriages.
- * The use of age, race and gender based preferences in education, employment, and contracting.

Dr. Rudy Zoch, Treasurer

I do not understand why so many people think that the posting of the commandments will hurt our children. Parts of the Constitution and Declaration of Independence were derived from the Ten Commandments.

1. Thou shalt have no other gods before Me.
2. Thou shalt not take the name of the Lord, thy God in vain.
3. Remember the Sabbath day, to keep it holy.
4. Thou shalt honor thy father and thy mother.
5. Thou shalt not kill.
6. Thou shalt not commit adultery.
7. Thou shalt not steal.
8. Thou shalt not bear false witness against thy neighbor.
9. Thou shalt not covet thy neighbor's house.
10. Thou shalt not covet thy neighbor's wife, nor his manservant, nor his maidservant, nor his cattle, nor anything that is thy neighbor's.
