

## Zoch, Cormier chosen as junior counselors

The Record Orange County, Texas August 12, 2014

Bridge City HS Seniors Kelly Zoch and Kellyn Cormier were chosen out of student leaders all over the state to serve this summer as JCs at Texas State University.

An integral part of the TASC Summer Workshop experience is the role of the JC (Junior Counselor). JCs are expected to model high standards of behavior, interact with workshop delegates, work closely with the workshop consultant and director by leading activities on stage and work behind the scenes to ensure the success of the workshop.

Congratulations to these young ladies- they represented BCHS well.
