

ST Explosion

We are excited to announce our coach for the ST Explosion 14U Maroon team. Former collegiate athlete, Missy Zoch! She graduated from La Grange High School in 2016 and went on to start at Depaul University/Texas Tech University.

Missy is excited to coach these kids and help them excel on and off the field. She will bring a tremendous understanding of the game with a level mindset to teach the kids to mature, and take their game to the next level. Please help us in welcoming her!
