**GUS ZSCHECH ANNOUNCES**

To the People of Precinct 3:

In announcing for re-election as Commissioner Prec. 3, I want to say that my work speaks for itself. I have tried to improve all roads of the precinct with but little money. I have tried to spread it over the entire precincts as far as funds would go. I gave the county affairs a strict personal attention. If re-elected, I shall continue to do my best for all concerned.

Thanking you for your support, I am,

GUS ZSCHECH.

Fedor, Texas.
