Albany. Giddings Deutsches Volksblatt, 28 April 1910. Image 011300062.

Searching for 3 German farmers for the 1<sup>st</sup> of October or earlier, each one should be able to cultivate 100 to 300 acres.

Also a good German family with a big son 15-20 years old, for monthly wages or for half, but no additional woman. Six German families are on the ranch.

A. J. Center Albany, Texas
