

### **Annual Bastrop Boat Race to Be June 14**

The annual Bastrop Homecoming boat race will be held June 14 beginning at 12 noon. Starting point will be Austin near the Montopolis Bridge. The race will end at the Colorado River Bridge at Bastrop. The approximate distance is 55 miles.

Thousands of people were crowding the banks of the Colorado between Austin and Bastrop watching the race last year. There were 47 entries. Inquiries are being received from all parts of Texas requesting information on the races this year, and from all indications of interest shown from all over the state this annual boat race will be an outstanding event in Central Texas.

There will be \$500 cash prizes plus additional prizes given by the merchants of Bastrop.

Requirements of the race are as follows:

- Boats must be not less than 14 feet and not more than 16 feet in length.
- The motors must not be more than 7.5 horsepower.
- There must be two men to each boat.

For particulars, write or contact Sam Gurwitz, chairman of the Boat Race Committee, Bastrop, or the Bastrop Chamber of Commerce.
