BURTON BANK ROBBED

The bank at Burton was robbed Thursday of last week at about 2 p. m. when a lone robber walked into the bank and ordered the cashier and the assistant cashier to shove the money through the window to him. After he had gathered the money into his pockets he asked if there was any more money, and upon being showed the empty drawer, he ordered the two men in the bank to lie down on the floor. He then escaped in an automobile which was parked in front of the bank. \$1700 in cash was taken. The robber escaped.
