CHURCH 100 YEARS OLD

Several from Giddings attended a meeting of the Burleson-Lee Workers' Conference Tuesday at the Providence Baptist church north-east of Caldwell. This church observed its 100 anniversary last year and is one of the denominational landmarks in Texas. Dr. B. H. Carroll and other notables were former pastors of that church. It has a well-sized membership at present and has preaching services every Sunday. In the adjacent cemetery are tombs with markings well over the 100-year period.

Those from Giddings attending were: Rev. and Mrs. Hoo-
stames, A. J.
Shoer, and Ruby Seale, and C.
M. Bishop.
