Roemer-Weigelt Rites Read

Miss Geraldine Roemer, daughter of Mrs. Alfred Schultz of the Sand Town community, became the bride of Mervin Weigelt, son of Alfons Weigelt Sr. of La Grange in the Martin Luther Church here on Sunday, Oct. 8. The Rev. A. T. Kluge performed the ceremony before the altar decorated with red roses and fern.

Mrs. W. F. Graeber played the traditional wedding music.

The bride was lovely in a gown of white slipper satin styled with a fitted bodice and round neckline. The round yoke was of chantilly lace. Two rows of shirring were from the yoke through the waist. The long sleeves of chantilly lace that fell into points over her hands were also caught up in rows of shirring near the shoulder. The full skirt was flared.

Her fingertip veil of illusion was edged in lace and fell from a crown of orange blossoms. She carried a bouquet of Vanda orchids entwined with laven-

der satin ribbon tied with love knots. She wore a double strand of pearls, a gift of the groom.

Miss Darlene Smith of Houston was maid of honor. She wore a pink satin gown styled with a fitted bodice, drop shoulders, neckline, and full gathered skirt. Her bouquet was of red roses and fern. Mrs. Orville Kunkel was bridesmaid. Her gown of blue taffeta was made similar to the maid of honor's. Her bouquet was of red roses.

Alfons Weigelt Jr. served his brother as best man. Orville Kunkel was groomsmen.

A reception was held at the home of the bride's mother. Barbecued pork and beef with the trimmings was served to about 125 guests. The table was centered with a three-tiered white wedding cake decorated with sugar spun roses, topped with a miniature bride and groom, and was placed on a reflector.

The couple left on a short wedding trip to Dallas and Brownwood. For travel the bride chose a brown gabardine suit with brown accessories and a corsage of Vanda orchids.

They will make their home in La Grange with the groom's father.

Coral Snake Found

Edward Marburger found the first coral snake in this vicinity while hunting Sunday morning in the Hugo Andrews pasture. Ewald Wunderlich assisted him in killing it. It measured 28 inches in length.
