CONCORD

Martin Liepke and family spent Sunday in Houston with Monroe Baack and wife and also Mr. and Mrs. Albert Liepke to visit their son Ray. Mrs. Albert Liepke and sons were on their way home to Port Arthur when the little fellow fell out when the car door opened and was hurt very bad. He was rushed to a Houston hospital where he is improving nicely.

Ed. Bage and children visited Emil Marburger and family at Dime Box Sunday.

Our school started Monday and we are glad to have our teacher Mrs. Peter with us again.

Will Kipp and family visited Martin Liepke and family Sunday night.

Nole Mattiza is on the sick list and we wish her a speedy recovery.

Our teacher is boarding with Mrs. Annie Keng. I think she wants to try country life.
