Dear Volklblatt!

I want to tell you today, that our Pastor K Ermisch arrived happy and healthy in Galveston on Thursday the 15th of September. They had to stay over on Friday. On Saturday the 17th he arrived happily with his family here at his St. John's community. You could tell from the many friendly faces that he was welcome back home. For the reception on Sunday, God's house was nicely decorated by the congregation, for which the pastor thanked everyone for the great honor. They really liked the journey. As he reports they stayed away from big storms and diseases, which was the most desirable and necessary thing.

With regards to the readers.
