

The Baptist Meeting at Dime Box

The Baptist meeting which has been in progress for some time at Dime Box, closed last Wednesday night.

Rev. W. W. Burr of Giddings did most of the preaching. He was assisted at the organ by his daughter, Miss Irene. Rev. J. A. Stephen came in Monday before the meeting closed, and assisted until its close.

A pleasant feature of the meeting was the singing; while there were no professional singers, yet Miss Luna Sample, who was at home at Dime Box on a vacation, rendered some very creditable solos, and she and her mother sang effectively in some duets. Miss Bessie Black and Mrs. W. O. Bowers Sr. from Giddings rendered some solos and duets that received well-merited praise.

The visible results of the meeting were that the church was greatly strengthened and revived and four were received into the church by baptism.
