**Fair at Dime Box to be an  
Annual Event**

A meeting was held at Dime Box Saturday and the sentiment was in favor of holding a School and Community Fair each year. Many readers of the News attended the Dime Fair last year and remember what a decided success it was, and from the sentiment of those in attendance Saturday it would seem that the fair last year will be bigger and much better than that of last year.

The fair will be held November 3 which allows six weeks for preparation. Every one in the three school districts or Dime Box prairie is invited to come out and show what he or she is doing toward the advancement of his community in Agriculture, Stock Raising, Domestic Science and Art, Needlework etc. and it goes without saying that there will be on exhibition articles which will cause many people to wonder that such things were grown or produced in Lee County. A county fair is the best means of developing a community's interests because it shows a stranger just what can be done in other words, a fair is the community's method of advertising itself. Dime Box has made a good crop this year and the people out there are feeling prosperous and they will spare no effort to make the day a success.

The following committees were appointed to see after the various phases of the program both before and on that date.

Eats Committee: Mrs. Albert Karcher, Mrs. Ernest Etzel, Mrs. G. G. Kaiser, Mrs. J. R. Henson and Mrs. Albert Schuhman.

Refreshment Committee: Elder Burttschell, Gertrude Etzel, Prescilla Helmer, Riney Spacek, Louis Zelenavitz and Mary Kubena.
