

**Dime Box Fair**

Dime Box held its annual fair Friday. The day has become one that is looked forward to each year and a number of people take part in it and help to make it a success. The fair opened with a long parade in the morning. Quite a number of decorated vehicles and cars of exhibits were in the parade and it moved to the hall where the fair was held.

Some extra fine cotton was on display and the displays of embroidery and canning were very good. Some high grade pecans were shown which were grown from a pig-nut tree on which high grade paper shell pecans had been budded. A boll of cotton containing six full-grown and well developed locks was on exhibition. The judging was done by Mr. Clinton, Farm Demonstration Agent of Burleson County and Miss Spratt, Home Demonstration Agent from the A. & M. College and also working in Burleson County.
