**REVIVAL MEETING  
AT DIME BOX**

The special series of evangelistic services now in progress at New Dime Box, being conducted under the auspices of the local Baptist Church are being enthusiastically appreciated by the people of the community. The attendance is above expectations, and the interest is splendid. The finest spirit of co-operation is manifested on the part of all.

There was no difficulty in arranging two fine choirs; and with Miss Alene Stewart at the piano, the music is of a high order. Special music is a feature of every service.

Rev. P. De Young, Baptist pastor at Giddings, is personally directing the meeting and preaches the old-fashioned gospel of repentance and faith, with poise, power and positiveness. He is always at his best in services of this type. He believes that godlessness leads to want and respect for and humble obedience to God leads to prosperity.
